

Computing at Blackwell

We ...

- *Ensure a great importance is placed around online safety and are part of the I-Vengers DCC project*
- *Liaise with companies to support in providing computing equipment*
- *Have opportunities to use IPADs/laptops regularly*
- *Have regular IT skill lessons*
- *Create and learn about podcasts, coding, algorithms, debugging to name a few things!*
- *Use IT across the curriculum in different ways such as researching and presenting*
- *Purchase new equipment - 30 new laptops purchased in 2020-2021*
- *Follow the National Curriculum objectives*
- *Have STEM club*
