

How do we celebrate our school community and wider world at Blackwell?

- *A school charter so all children have the opportunity to take part in a range of activities before they transfer to Secondary school*
- *Through key events such as visits, visitors, celebrations and dedicated themed days/weeks*
- *Opportunity for parents/carers and the local community to share their knowledge and talents*
- *Working with the local care home*
- *Supporting the local foodbank*
- *Support charities that are special to the school and also world charities*
- *Identifying and creating wider opportunities for the community to be involved*
- *Links with local community services*
- *A curriculum that includes local History, Geography and events*
- *Taking part in local and national competitions*
- *A variety of school clubs*
- *Working with the 5PPS and other schools to share ideas and practice*
- *Being part of the 5PPS school council*
- *Displays and assemblies*
