- Alongside the individual letters, capital letters will also be introduced.

At Blackwell School, the children are taught frequent, discrete and direct handwriting. Teaching is supported using the *Penpals* handwriting programme when they show a secure and consistent understanding of how individual letters are formed. Children will receive a pen license when they consistently demonstrate joined and neat handwriting.

Pupils are taught to:

Year 1

- sit correctly at a table, holding a pencil comfortably and correctly
- begin to form lower-case letters in the correct direction, starting and finishing in the right place
- form capital letters
- form digits 0-9
- understand which letters belong to which handwriting 'families' (ie letters that are formed in similar ways) and to practise these

Year 2

- form lower-case letters of the correct size relative to one another
- start using some of the diagonal and horizontal strokes needed to join letters and understand which letters, when adjacent to one another, are best left unjoined
- write capital letters and digits of the correct size, orientation and relationship to one another and to lower-case letters
- use spacing between words that reflects the size of the letters

Year 3 and Year 4

- use the diagonal and horizontal strokes that are needed to join letters and understand which letters, when adjacent to one another, are best left unjoined
- increase the legibility, consistency and quality of their handwriting, [for example, by ensuring that the downstrokes of letters are parallel and equidistant, and that lines of writing are spaced sufficiently so that the ascenders and descenders of letters do not touch

Year 5 and Year 6

- write legibly, fluently and with increasing speed by:
- choosing which shape of a letter to use when given choices and deciding whether or not to join specific letters
- choosing the writing implement that is best suited for a task
