

## **Safeguarding at Blackwell Primary School**

*At Blackwell Primary School we aim to provide a happy, caring and stimulating experience which enables individuals to develop in an environment where differences are valued.*

We warmly welcome you to our school. We ask that all visitors read and agree to abide by the following before entering the school for the safety of our children.

- I will turn off my mobile phone and not use it while with the children. (Mobile phones can be left for safekeeping and locked in the school office).
- I know that photography is not permitted in any form
- I will support the school approach to online safety and not post anything on social media that could upset any member of the school community or bring the school in disrepute.
- If I have any concerns or questions during my visit I will immediately report them to a member of staff.
- I will sign in and out at the school office and wear a visitor badge at all times when on the school premises/visits. (Badges must be returned before leaving).
- I understand that anything told to me, or I hear about a child or member of staff is confidential and I will not repeat it outside my professional role.
- I have training or an understanding of safeguarding in a school environment and understand if I see or hear anything I am concerned about I must report it to DSL's Gillian Gardner or Alistair Ward.
