

Religious Education

At Blackwell Primary School, we seek to provide children with rich opportunities to explore faiths, making connections with their own lives and beliefs. We aim to provide opportunities for children to reflect and ask the bigger questions. We enable the children to do this by:

- Learning about a range of faiths
- Learning from a range of faiths
- Experiencing different religions through visitors and visits
- Exploration of faith through a range of high-quality sources

Religious Education (RE) is taught in accordance with Derbyshire Education Authority's agreed syllabus (2020-2025). This syllabus is based on the Christian faith while also learning about other principal religions.

Daily assemblies incorporate and act of worship, prayers, hymns and incorporate religion, moral, multi-culture, spiritual and British Values. On Friday we have a special celebration assembly when each class teacher nominates their 'Star of the Week' and we celebrate the children's achievements in and out of school.

There is a legal requirement for RE to be taught in school. RE is an entitlement for all pupils, however parents/carers do have the right to withdraw their child from some or all of the RE curriculum. Please speak to the head of school regarding this.
