

RSE Parental Engagement

We recognise the prime role of parents/carers in the development of their child's understanding about relationships education. We work in active partnership with parents/carers in the development and review of RSE. The school will ensure that parents/carers are made aware of the school's approach and rationale for RSE through the policy; involved in the review of the RSE policy; made aware of the school's PSHE curriculum; and encourage them to support their child's learning at home through shared learning activities, if appropriate.

A booklist has been included on the PSHE section of the school website.

We hold yearly parent drop ins with all teaching staff in attendance to enable parents/carers to browse our 'Growing Up' resources, activities and texts to be used in KS1, LKS2 and UKS2 and these are communicated to parents/carers via Parent Hub and the Head Teachers Newsletter. A parent questionnaire and workshop was held to discuss RSE across years 1-6 in 2022. These will continue into other academic years.
