

I-Vengers 27 applications across Key Stage 2

Here are some of the answers to: What does 'online safety mean to you?'

Keeping everyone safe

It means to not talk to strangers and not to download a game that is not my age.

Being aware of the dangers online and how to keep safe

Checking that websites are safe for people to go on and making cyber-bullying stop happening.

To keep my friends safe

"I want to help other children to feel safe online and that they don't go on something they shouldn't"

Online safety means that everyone can be safe online. It means that no one has to see unsafe things or scary things.

Keeping everyone safe online so that they are not being bullied.

Parental control your devices

To not put myself or others in danger online.

To help people stay safe and use the internet correctly.

No telling people your address, ID or anything related to that kind of thing.

Being able to use the internet and know that you are safe.
