1	anonymous	I'm truly grateful for the wonderful environment this school provides. The teachers are caring, dedicated, and always go the extra mile to help students learn and grow. My child feels supported, valued, and excited to come to school every day. The communication with parents is excellent, and it's clear that the staff genuinely care about each student's well-being and success. Thank you for creating such a positive and nurturing space for our children.
2	anonymous	We are extremely happy with how [redacted] is getting on, she loves coming to school and is thriving! Thankyou to everyone!
3	anonymous	The school website is neglected and never updated, the children rarely do anything fun anymore, they never make parents anything unless they pay for it, the school has turned very money orientated and just no effort is made to make the child's time at school learning fun.
4	anonymous	Yes I would recommend Blackwell. I do think too many children in a class. Spellings to take home is very poor this term
5	anonymous	yes
6	anonymous	We have loved being a part of the Blackwell family for several years now and our child has shown great development in both academic and personal growth. We will be very sad when it's time to move on. Thank you
