1	anonymous	Although I really appreciate the decision to do this activity, I believe that when it's raining or below 14 degrees, it's not beneficial for the child to go outside.
2	anonymous	It would be nice if they did outdoor schools every week throughout the year.
3	anonymous	Would be lovely if it could be permanent or have a forrest school
4	anonymous	The things are get to do are great. It's a shame they can't do more than half a term.
