

Curriculum News Miss Hatter's Class - Spring 4 2026

Topics

We have a busy half term ahead of us with lots of Geography and Science related activities.

This week, we will be learning about Chinese New Year, how it is celebrated and some facts about China from non-fiction texts.

World Book Day

We will be having a busy day focussing on our favourite books, with a special focus on the Early Years themed text linked to Peppa Pig

Science Week

Throughout school we will be concentrating on Science related activities and investigations. Each year there is a new theme for British Science Week and for 2026 it's 'Curiosity: what's your question?'

Water bottles

Please ensure that your child continues to bring a water bottle with water in (no juice or dilute please). PLEASE WRITE NAMES ON!

PE (Physical Development)

FS1 children will have PE built into daily activities (No formal PE kit needed at the moment)

FS2 children will have PE on a MONDAY afternoon.

If your child wears earrings they must be taped up or removed for PE as school staff cannot apply tape.

Golden Time

FS2 children have Golden Time every Friday afternoon after Assembly, please remember to bring a **small toy that will fit in your child's drawer** (nothing electronic or valuable)

Star of the week

This is a way to celebrate good behaviour and trying extra hard linked to individual pupils in our class. Each week a pupil from FS1 and a pupil from FS2 are chosen and will be given a laminated 'star of the week' band to keep. Their photo

will also be placed on our class display and they will get the chance to be at the front of the line when we line up. A new star of the week is chosen every Friday morning 😊

Spare clothes

Please could all children continue to bring in a named carrier bag that will be left on their individual coat peg, please include a change of clothes i.e. pants, socks/tights, trousers/skirt - just in case of any little accidents.

Many thanks, Miss Hatter.
