

Mrs Sidhu's Class Newsletter

Summer Term 2 2026

Year 1 and 2 - the academic year has flown by, what a busy year it has been! I would like to thank each of you for your support and co-operation towards your child's education this year. Please take your time to read the class newsletter to see what your child will be learning this half term and important dates for your diaries. If you have any questions, then please do not hesitate to contact myself or the office 😊

Curriculum News

Our learning challenge for this half term is:

How does your garden grow?

(Science focus)

Our key vocabulary for this half term is:

Flower, stem, seed, leaf, root, trunk, petals,
water, soil, light

Bulbs, germinate, deciduous, evergreen, energy,
environment, life cycle, nutrient

Observe, investigate, measure, diagram

We will be studying the following topics over this half term:

Maths - Year 1 - place value within 100, position and direction

Year 2 - statistics, position and direction

English - instructions, narrative (story writing), poetry

Science - Plants

D&T - A balanced diet

P.E - Target games

R.E - How should we care for others in the world and why does it matter?

PSHE - Relationships

Computing - Programming animations

Music - Our big concert!

Dates for your diary

P.E

Our P.E days this half term will continue on **Wednesday Afternoons**. Please ensure your child comes to school in appropriate kit (plain t-shirts and jumpers- no printed clothing allowed, thank you).

Water Bottles and healthy Snack

There have been many children coming to school with juice - please ensure that your child brings water only and fruit as their break time snack.
