

Curriculum News Miss Hatter's Class - Summer 6 2026

Topics

Homes from the past

We are continuing our focus on houses and homes from before half term, we have moved onto homes and what life was like in the past using vocabulary like 'now, present, past, a long time ago' to help us understand familiar things from different times.

We are also going to think about what is in the local area using a range of photographs (colour and old black and white ones) to help us learn about the differences between the past and present.

People who help us

We will be learning about people who help us in school and the local community. Please let me know if any of you would like to pop in at a prearranged time to share your role/occupation in the community 🧐

Healthy Living

We will be finding out about Healthy Living with a focus on healthy food, exercise, rest, medicine, hygiene. We will also be considering 'screen time' and online safety.

Super Veggie

As part of our combined class film and healthy living topic, we would like to hold a 'Super Veggie Competition', from previous experience we will have several categories:

FS1 entries / FS2 entries and Parent/Carer entries - we know how much many of you like to be creative 🥰

ENTRIES to be sent into school ON MONDAY

14th June (ready for our class film on Wednesday 16th) Please ensure they have your name on and if the creation has a name as well.

Snail and the Whale (different countries and environments around the world)

We will be using another text by Julia Donaldson to explore different countries and environments around the world.

Class Film with Mr Pepper – Wednesday 17th June

Mr Pepper will be working with our class later this half term to create a class film around one of our current topic on Healthy Living with a super veggie focus.

WEDNESDAY 17th JUNE - Please come dressed in normal BLACK school trousers /skirt / school shorts and a **PLAIN BRIGHT** top (sports day t-shirts are ideal) BUT they CANNOT be **GREEN** or **YELLOW** as they will not work against the 'green screen' for filming purposes.

We have already ordered masks for the children and will be making our own black capes to keep everything simple with no need to purchase anything new!

Morning: FS1 (15 hours) and FS2

Afternoon: FS2 and FS1 (30 or 32.5 hours)

All the other classes in school have been involved with Mr Pepper and it has been a wonderful opportunity for the children to take part in.

Transition

A range of dates have been arranged for pupils to experience their new classes, all the current FS1 will move up to FS2 and our current FS2 children will move up to Year 1. Plus, children who will be joining our school from other settings – it's going to be a busy half term!

Sun cream and sunhats

As the warmer weather is now upon us, please do ensure your child brings a water bottle and sun hat each day. Please remember to add names as we want to keep them safe!

Please apply sun cream BEFORE school – many thanks in advance 😊

Water bottles

Please ensure that your child continues to bring a water bottle with water in (no juice or dilute please). PLEASE WRITE NAMES ON!

PE (Physical Development)

FS1 and FS2 children will have PE on a **MONDAY morning**. Please come to school dressed in a school PE kit.

Tai Chi – TUESDAY morning - We will be doing Tai Chi with Paul our regular Tai Chi Instructor who each half term works with all year groups through school from FS2 onwards. The **first session** will be on **TUESDAY 16th JUNE**, please come to school in a PE kit.

If your child wears earrings they must be taped up or removed for PE as school staff cannot apply tape.

Golden Time

FS2 and FS1 (30 & 32.5 hours children) have Golden Time every Friday afternoon, please remember to bring a small toy that will fit in your child's drawer (nothing electronic or valuable)

Uniform

As we come towards the end of the academic school year, we have many jumpers and cardigans that are tricky to reunite with pupils, please check your child's name is on their uniform so that we can get them back to the rightful owner at the end of each day. Now that the children are on the school field at lunchtime, this is even more important – thanks in advance 😊

Spare clothes

Please could all children bring in a named carrier bag that will be left on their individual coat peg, please include a change of clothes i.e. pants, socks, trousers/skirt – just in case of any little accidents.

Early Learning Goals

All children in FS2 will be assessed against the national Early Learning Goals for the Reception year. I will be sending out an electronic copy of these via Parent Hub and adding an ELG Information PowerPoint onto the school website.

Many thanks, Miss Hatter. 2/6/2026
